## The Organisation

Since first opening in Sydney in 1989, Tarocash has gone on to become a true Australian success story with over 45 stores throughout Australia. Tarocash produces smart casual menswear designed to cover almost any sort of occasion.

## The Challenge

The organisation's goals were to save money on energy costs and reduce their environmental impact, and promote a pleasant shopping experience as well as an efficient operating environment. These goals had to be achieved in a busy retail environment so planning to ensure minimal disruption to users was paramount.

## Economic Outcomes

Tarocash will enjoy the following benefits:

- Energy Saving Scheme Discount: \$5,123
- Annual Energy Savings: \$4,241
- Estimated Return On Investment (ROI): < 9 mths
- Annual Energy Reduction: 23,566 kWh

## Environmental Outcomes:

Removed 24 metric tons of CO<sub>2</sub> p.a.

Removing 5 cars from the road

Growing 640 tree seedlings grown for 10 years

58 Barrels of oil not consumed
